PROFESSIONAL SUMMARY

High-Impact **Instructional Design Strategist** specializing in complex training for global organizations (Healthcare, Travel, etc.). I conduct comprehensive Training Needs Analysis (TNA) to architect effective curricula. Leveraging advanced tools like Articulate 360, Unreal Engine, Adobe Captivate, Synthesia and Vyond, I design interactive solutions that have reduced training time and ensured rapid, measurable skill transfer and operational efficiency.

CAREER HISTORY

ASST. MANAGER CURRICULUM/CONTENT DEVELOPER | TELEPERFORMANCE PHILIPPINES | 2021 TO 2024

- Collaborated with SMEs and stakeholders to define learning objectives and curriculum architecture for different training programmes, ensuring alignment with business goals.
- Designed and prototyped game-based simulations using advanced tools like Unreal Engine (UE) to embed complex operational procedures, reducing new hire onboarding time and training costs.
- Developed interactive learning modules that resulted in targeted KPI improvement.

LEARNING AND DEVELOPMENT OFFICER | TELEPERFORMANCE GLOBAL SERVICES (FORMERLY INTELENET GLOBAL SERVICES) | 2018 – 2019

- Facilitated engaging workshops and training sessions for employees.
- Facilitated leadership and operations training for supervisors, assistant managers, and managers.

BARCLAYS CUSTOMER SUPPORT | TELEPERFORMANCE GLOBAL SERVICES (FORMERLY INTELENET GLOBAL SERVICES) | 2017 – 2018

- Provided high-quality customer support, resolving complex queries and issues for banking clients, consistently exceeding service level targets.

WELLS FARGO PHONE BANKER AND TECHNICAL SUPPORT | GENPACT LLC | 2013 – 2016

- Assisted customers with banking and technical inquiries, demonstrating strong analytical and diagnostic abilities to troubleshoot issues efficiently.
